RULES AND GUIDELINES

We invite you and your guests to the Lee-Fendall House Museum and Garden. The following rules and guidelines will assist you in your plans and ensure everyone's continued enjoyment of our historic site.

The Lee-Fendall House Museum and Garden is a fully operating educational and tourist museum. The Lee-Fendall House Museum is open Wednesday through Saturday between the hours of 10:00 AM and 4:00 PM, and Sunday between the hours of 1:00 PM and 4:00 PM. However, due to special events, programs, and tours, the museum may not always be available for viewing during these times. Therefore, **appointments to view the house are necessary.** Please call (703) 548-1789 or email contact@leefendallhouse.org for an appointment.

The Lee-Fendall House Museum's Executive Director and Manager of Special Events will help guide you through the decisions regarding the use of the house and garden, appropriate setup for food service, and guest flow to ensure a perfect event.

Capacity

Garden Events

The garden offers our most popular venue and permits wide latitude for ceremonies, dining and entertainment.

❖ **Wedding Ceremonies**

The garden permits ample space for 150 guests for wedding ceremonies. Different sites in the garden may be used as the focal point of the ceremony. The Lee-Fendall House Museum Manager of Special Events can guide you in making decisions regarding the layout of seating for your ceremony.

❖ **Food Service and Receptions**

Up to 150 people can be accommodated for a seated event. The Lee-Fendall House Museum Executive Director or Manager of Special Events can guide you in making the best decisions for the placement of food and beverage service for your event. If your group is comprised of more than 75 people, your party will be restricted to the garden except for small groups accessing the interior for the buffet or bar (if applicable), a tour, or use of the bathrooms.

If your event includes a wedding ceremony and the guest count exceeds 50 people, a tent is strongly

recommended and generally required. A tent is strongly recommended and generally required for any event comprised of more than 75 people. Not only will a tent provide shelter in the event of inclement weather, but it also provides shade during late spring and summer, protecting food and providing comfort for your guests.

House Events

The house offers a unique and elegant setting for your small event or group meeting.

❖ **Cocktail Receptions**

Up to 75 persons can be accommodated for a stand-up event.

❖ **Meetings and Lectures**

Up to 15 persons can be accommodated in our indoor event space for a conference-style meeting, or up to 25 persons for a lecture presentation. Our enclosed porch is ideal for meetings of up to 15 people or small lectures for 20 or fewer guests. Our changing exhibit gallery is also available for small meetings or lectures. Wi-fi internet access is available. A projection screen and digital projector are available upon request.

❖ **Seated Dining**

Up to 20 persons can be accommodated in our indoor event space or entrance hall for a formal waiter service sit-down dinner event. The use of adjoining spaces increases capacity to 40 guests. Intimate seating for events such as tea parties or bridal showers increases capacity to 25 or 65 people, respectively. Seating arrangements must be designed in consultation with the Lee-Fendall House Museum Executive Director and/or Manager of Special Events.

❖ **Wedding Ceremonies**

The entrance hall offers an attractive setting for a wedding ceremony. We limit the number of guests to 50 for an indoor ceremony. This is the maximum number of people who can see a ceremony inside the house (this capacity is for standing guests; seated capacity is 25 guests).

The capacity limits will be strictly enforced. Events exceeding the capacity limits will be shut down.

General Rental Guidelines

AV Equipment

The Lee-Fendall House cannot provide AV support; we recommend contracting with an outside vendor for your needs.

Renters are responsible for providing guests, vendors, and others with directions to the site.

All setup and cleanup must occur within the agreed upon rental period. All vendor and caterer setup and clean up must occur within the rental time. Overtime charges will be applied to violations. Renters, guests, vendors, or others will not be allowed on site before or after the rental period without prior arrangement with Lee-Fendall House.

(Full information on local noise ordinances may be found at <https://www.alexandriava.gov/Noise/>.) Lee-Fendall House Museum staff will actively monitor the volume. The renter and musicians must agree that the volume will be immediately lowered upon the request of the Lee-Fendall House Museum staff. In the event the request is not adhered to, or in the event of repeated requests to lower the volume, music will be shut down. Renters should discuss these regulations with their music vendor.

No music will be permitted prior to 10 AM or after 10 PM (*As a certain amount of amplification is required to hear the sound of a vocalist, keyboard, guitar, and wind instruments such as a clarinet, lightly amplified music is permitted.) Bands will be considered on a case-by-case basis. Please consult the Director or Assistant Manager regarding live bands.

Parking

Lee-Fendall House Museum on-site parking is limited. Four spaces will be provided for use by the renter, in addition to space for one catering truck. The Lee-Fendall House Museum reserves two spaces for staff use.

The rental rate for the contracting party shall be in accordance with the following rental fee schedule:

- The rate for this event is \$_____ per hour for _____ hours for an expected total of \$_____.
- The rate for this event is \$_____ for _____.

Total rental charge is calculated at a stated or imputed hourly rate for the Scheduled Period of Use. For purposes of determining total rental charge, the Scheduled Period of Use is determined by the arrival time of the contracting party and/or contracting party’s vendor(s) at set-up and the departure time of the contracting party and/or contracting party’s vendor(s) following clean-up. Additional time is billed at a rate of \$_____ per hour and will be prorated in 30 minute blocks. The Lee-Fendall House has an 11:00 PM curfew for all events.

A security deposit is due immediately upon signing this contract. A rental fee deposit equal to 50% of the total rental charge for the Scheduled Period of Use is due within two weeks of the date this contract is signed or the contract will automatically become null and void. If this contract is signed less than four weeks prior to the event date, full payment of the total rental charge is due at the signing of this contract.

Should the contracting party cancel the event; the full rental fee deposit will be returned if the Lee-Fendall House is given at least 6 months prior written notice. The contracting party has tendered herewith as security against damage and obligations incurred during or in connection with the Scheduled Period of Use the sum of \$500.00 (the "Security Deposit"). The Lee-Fendall House retains the right to use any or all of the Security Deposit toward any of the contracting party's obligations under the contract or any claim the VTHP may have, or for overtime, clean up, damages to or destruction of the Lee-Fendall House or any property located in or on the premises belonging to the Lee-Fendall House as a result of the contracting party's use of the premises or in any way relating to the event.

If any such damage or destruction is caused by the contracting party's vendor or any of the vendor's agents, representatives or employees, the Lee-Fendall House will attempt first to recover its damages and expenses from the vendor; however, if and when reasonable efforts to recover such damages and expenses, which does not include litigation, are unsuccessful, the Lee-Fendall House will look to the contracting party for the same. The full amount of the Security Deposit will be refunded no later than 30 calendar days after the event if it is determined that no damage has occurred and that there are no claims or other outstanding obligation at that time involving the contracting party. The Contracting Party further agrees that the Security Deposit does not limit the contracting party's liability for any such damages or other liability to VTHP that the Contracting Party may incur.

Damage

The contracting party hereby agrees to be fully and solely responsible for any damage in any way relating to the event, and to be fully and solely responsible for any damage to or destruction of the Lee-Fendall House or any property located in or on the Lee-Fendall House caused by the contracting party or any of its agents, guests, or invitees.
